"FINDING THE PERFECT AND BEAUTIFUL" -JUDY PETERSON

Thursday October 4, 2012

11:30 am – Networking | 12:00 pm – Lunch & Program

The Madison Club | 5 E. Wilson Street, Madison

The last time Judy Peterson spoke at The Business Forum Luncheon was eight years ago, and she became one of the few to receive a standing ovation from a packed room. We are delighted to have her back in October to hear her talk about "Finding the Perfect and Beautiful in the Difficult Labors of Life."

Judy is the currently the campus pastor for North Park University in Chicago, Illinois and is happily married to Jeff Peterson. She previously served congregations in Madison, Wisconsin and Elgin, Illinois. Judy is passionate about communicating good news in everyday language and travels across the United States speaking to audiences about how to put feet to their faith.

Her passion for walking it out took the form of walking from the state of Washington to the tip of Florida with nothing but a backpack, a cell phone and \$400 in cash. While the walk across the United States is how Judy first received the name "walking pastor" it is her day to day desire to walk into the lives of others that continues to make the title well deserved.

SPEAKER: JUDY PETERSON

Campus Pastor, North Park University
aka: The Woman who walked across America
